

PLEASE HELP TO KEEP THIS CHURCH COVID-19 RESILIENT

**WE ARE STILL TRYING TO REDUCE THE RISK OF SPREADING INFECTION AND
OFFER THE FOLLOWING ADVICE**

PLEASE DO NOT come onto the premises if you, or anyone in your household have tested positive for COVID-19, or had COVID-19 symptoms in the last 48 hours.

Try to maintain social distancing of at least 1m and especially if facing someone from outside your usual contacts whilst talking.

Continue to use the hand sanitiser provided on entering and leaving the premises. Wash or sanitise your hands as often as needed – particularly after touching your face close to eyes, nose or mouth as well as all the usual hygienic precautions you would take. Soap and paper towels are provided.

“Catch it, Bin it, Kill it” - Tissues should be disposed of into one of the rubbish bags/bins provided. Then wash your hands!

THE CHURCH carries out cleaning on at least 3 days each week. **WE** cannot sanitise all surfaces at the premises between each use. Please use the materials provided on any surfaces you feel may need disinfecting before you use them.

Continue to keep rooms well ventilated as appropriate to their use - then close and secure all doors and windows before leaving.

THANKYOU

WOODBIDGE METHODIST CHURCH – Sept 28th 2022
